

LAS CANARIAS

San Antonio

Despite the usual ruckus that goes on just on the other side of those windows, on San Antonio's River Walk, Las Canarias is always a respite. The bar at this signature restaurant of the Omni La Mansión Del Rio is a perfect perch to people watch without getting sullied by the masses. With a glass of Chateau Ste. Michelle 2012 "Eroica" Riesling, Columbia Valley by my side, I can almost imagine myself as a tourist, floating by in a tourist boat. I turn to look back through the windows of Las Canarias. I see an empty seat at the end of the bar, and I say to myself, "Shit! I left my glass up there."
